GOLF

Our Lucaya is home to two of the finest golf courses in The Bahamas – The Reef Club and Lucayan Country Club. Both have hosted the PGA's Bahamas National Open, the Senior PGA's Slam, and 12 other national championships.

The Reef Club course created in 2000 by renowned golf architect Robert Trent Jones, Jr., who has designed more than 200 golf courses during his career, sprawls out over 6,930 yards. The 18-hole, par-72 contemporary links-style course offers golfers of all levels a breathtaking layout with 13 holes bordered by picturesque lakes. Its wide fairways and large, level greens require a strong short game.

The 6,824-yard *Lucayan Country Club* course is a classic, originally designed by acclaimed golf course architect Dick Wilson in 1962. The 18-hole, par-72 course is infamous for its shaded, tree-lined fairways, small elevated greens and Wilson-trademark bunkers guarding almost every pin. The Lucayan Country Club provides a true challenge for golfers desiring to put their skill and accuracy to the test.

To reserve a tee time at either golf course call (1-800) OUR-LUCAYA. Resort guests enjoyed preferred tee times.
